

## Princeton Senior Party Student Guidelines

The Princeton Senior Party begins approximately 8:30pm following graduation, and ends at approximately 4:30am the next morning.

- After arrival to the All Night Party, anyone who leaves will not be readmitted.
- No beverages of any kind may be brought into the building - this includes energy drinks. Anything brought in with you will be confiscated at registration. Food and beverages will be provided throughout the night. If you have special dietary needs, please note this on your registration form.
- *Alcoholic beverages, smoking and drugs of any kind are not allowed anywhere on the property. Any behavioral problems will be dealt with by a phone call to parents and in some instances, the police. Security personnel and video cameras are on-site. You will not be allowed outside the party facility. To ensure your security, chaperones will be stationed at each entrance/exit.*
- If you need to bring a backpack with a change of clothes after graduation, you must immediately check it in with security upon your arrival for safe-keeping. No personal backpacks are permitted to be carried around the party. Students may use the individual string backpacks provided to carry personal belongings throughout the night. For those attendees requiring prescription medication (such as EpiPens and Inhalers), please let the volunteers know when checking in at the registration table.
- Parents/Guardians who have purchased a ticket to attend the Princeton Senior Party, and whose graduate has not arrived by the last bus arrival, will receive a phone call from a representative of the Princeton Senior Party Committee.
- This is an ALL NIGHT senior party, and you should plan to stay the entire night.
- Unless an Early Release Form has been completed by the parent/guardian PRIOR to the event, all students are required to ride the bus back to PHS after the party. You will not be able to get into the high school.
- Graduates who need to go home prior to 5am due to extenuating circumstances, may leave the party by approaching any adult volunteer who will take them through the appropriate procedures set up for this purpose. A phone call will be made to parents/guardians to let them know they need to pick up their graduate. Graduates will **only** be allowed to leave with a parent/guardian.
- Please note that photographs will be taken throughout the evening to capture the experience of the Princeton Senior Party!

## **Princeton Senior Party Parent Guidelines**

Please read and review the Student Guidelines with your senior graduate before graduation day.

As you know, the party is given **to ensure the safety of the graduates**. Important procedures are in place to ensure this happens.

1. Parents who have purchased a ticket for their grad to attend the Princeton Senior Party and whose graduate does not arrive by the last bus, will receive a phone call by a Senior Party Committee member.
2. Graduates should plan to be at the party for the **entire** night; however, if an extenuating circumstance arises, you will receive a phone call from a Senior Party Committee Member asking you to pick up your senior. In order to ensure their safety, a parent/guardian **MUST** come inside and present an ID before taking the graduate home.
3. The new graduate must ride the bus to and from the party (unless an Early Release Form is completed and signed by parent/guardian).
4. This is a chemical-free, private party for the PHS graduating class only. No siblings or friends from other schools may attend, and no alcohol, drugs, tobacco products or electronic cigarettes are allowed. Security personnel and video cameras are on site. Security will handle any infractions, parents will be called, and if necessary, the police will be involved. Security personnel and video cameras are on site.
5. Parents who are picking up their grads from the party will only be allowed in the check in area and are not permitted to enter the party.
6. If your graduate requires a para to attend the party with them, please be sure to email with the name of the adult who will be accompanying your graduate.
